

Announcement Equipment Inspection Fee

Antwerp , 17th of February 2017

Dear valuable Customer,

As we are faced with increasing operational costs regarding the physical inspection of containers, we will implement an Equipment Inspection Fee as stated below.

This charge will be applicable for all container types and sizes arriving with vessels on the inbound Arkas Line service with Eta on or after 1st of March 2017 and which are returned to a depot / terminal .

Equipment Inspection Fee of **EUR 10** per container

This charge will be payable on collect basis to all shipments to and via Antwerp on the inbound leg. Please note that any necessary cleaning and/or repair costs wherever applicable will be charged in addition to the Equipment Inspection Fee.

Kind regards

Boeckmans Belgie NV, as agents for Arkas Container Line
